PROFESSIONAL EXPERIENCE

WIEDEN + KENNEDY

INTERACTIVE DESIGNER / 2 YEARS

*Wieden + Kennedy is an independent advertising agency focusing on story telling. As an interactive designer I provide creative solutions for design problems and limitations that exist in digital media. Working with a team of art directors, copywriters, producers, account managers and developers campaigns are brought to life from concept to launch exceeding client expectations and garnering awards in the creative industry.*

---

RINGLING COLLEGE DESIGN CENTER

INTERACTIVE + GRAPHIC DESIGNER / 1 YEAR

*Ringling College of Art + Design provides design students with the opportunity to experience working for clients in and around Sarasota, Florida. Selection for the Ringling College Design Center is based on merit and portfolio and projects are assigned as such. As an interactive + graphic designer I was teamed with another designer to redesign Ringling's website.*

---

T-3

INTERACTIVE DESIGN INTERN / 3 MONTHS

*The Think Tank, shortened T-3, is an independent advertising agency providing primarily interactive solutions for clients. Working with art directors, account managers and other interactive designers client requests are met with efficient solutions that are brand appropriate. Adjunct to day to day responsibilities I led the intern class in rebranding the internship program to fully reflect the possible experience one could receive while at T-3.*

FORMAL SCHOOLING

RINGLING COLLEGE OF ART + DESIGN

BFA / GRAPHIC + INTERACTIVE COMMUNICATIONS

*Ringling College of Art + Design's four year accredited graphic + interactive communications major is an intense and focused program intended to teach design, typography, composition, grid systems, semantics, semiotics, iconography and history. Due to this training students are given the unique skill sets required to design efficiently and responsibly.*
